

Coverflex

Covered Modular Walkways

Coverflex modular covered walkways are the perfect solution to providing instant protection outside and in between your buildings on site. Ideal for construction sites and a great alternative to custom-built decking and landings.

Speed

Coverflex modules can be delivered to your site at the same time as your buildings.

Safety

Non-slip covering increases grip, reducing the risk of injury. Coverflex add-on hand rails reduce the risk of falls.

Economical

Pre-built modules are cost effective on short-term projects and result in less waste on site.

Flexibility

Modules can be arranged in a number of ways giving flexibility for your site requirements.

Relocatable

Coverflex modules can move with your buildings.
